Sign up Now to Participate in the Making of a Movie!
Shot in Schenectady, about Schenectady!

“Schenectady as Seen by...”

Antonio Ferrera, who grew up in Schenectady, but now lives in NYC directing and producing films, wants to make a movie about Schenectady as part of our annual film festival...he is interested in **YOU, in YOUR CITY**. We're asking people of all ages, color, walks of life, gender, languages to help create a kind of kaleidoscope of living, in this case, in the City of Schenectady. Give us 30 seconds or up to 2 minutes of your world through your eyes. What is it like for someone of the Guyanese community, who recently moved here...making some ethnic dish or at a family party/celebration? What is it like to see your grandmother smile? How is it at your family luncheonette at noontime on Friday! What is the view from your porch, your favorite spot in the park or on the river? What's it like at basketball camp in Jerry Burrell Park? How does the language of your family's home country sound? Or give us something you've already taped...grand children sledding, family party/wedding/ anniversary/ graduation, something from a City Council meeting. Anything!

Sign up now! Call SACCTV-16/3463181 to find out how! In the meantime, capture just a slice of life, however funny, abstract, serious, wonderful, loud, crazy, ethnic, religious, spiritual, outrageous! We want as many 30sec-2min submissions as possible by the end of June. We'll collect more, but Antonio wants to get to work on this film, so it can be shown at the festival in October. Join us! Get your family and friends to capture something important to them on video!!
